

Mega Casino Box

PREVENTION. PROTECTION. PEACE OF MIND.

security box

Strong, See-through Tamper Evident Card Vault

- 1 The Mega Casino Box is made of transparent material which allows the contents and the seal to be visually inspected.
- 2 Lid design allows for good stacking of boxes on top of one another and to save space in transit.
- 3 The sliding lid has a back-stop mechanism to prevent the lid from slipping off.

Specifications

| Product | Material | Box Dimensions mm | Carton Quantity | Dimensions mm | Weight kg/carton |

| Mega Casino Box_2 | Transparent Polycarbonate | 100 x 75 x 40 | 50 pcs | 475 x 272 x 297 | 5.6 kg |

A Transparent Solution

The Mega Casino Box is designed for a variety of applications that include Gaming, Financial Services & Banking, Retail and Police Sectors.

The easy manual locking system, the high visibility of tamper attempt, the ability to visually inspect the seal and box contents all contribute to a very effective and efficient security system.

The Mega Casino Box is available in transparent natural colour only, and is suitable for use in temperatures ranging from -20°C to 110°C.

Be assured of better security with our innovative use of materials and industrial design.
