## SPECIAL AIRLINE EDITION

# AIR BORNE

Major European Airlines have chosen Mega Fortris tamper evident security labels and tape for their aircraft security. Main applications on security labels to be used on doors or hatches while the aircraft is on the ground.

### HASP PADLOCK

The new Fort Hasp Padlock provides a high security product by a combined metal wire locking and a strong ABS transparent plastic body. Application included aircraft duty free carts and trolleys.

### PRODUCT FACTS

All the tamper evident labels and tape are self adhesive and designed for surface mounting applications. Three types of material available: Partial transfer, total transfer and non-residual. Customized marking and design with customer information, sequential numbering and bar-code identification. The labels can be manufactured with an optional interlocking security cut.

### DUTY FREE ICAO BAGS

Mega Fortris produces ICAO duty free security bags to a large number of airlines and duty free providers – worldwide. Mega Fortris is an approved and listed producer – for providing the security ICAO bags. All security standards are met by strict quality control within the production.

### AIRLINE CARGO CABLE SEAL

These cable seals, have been designed for Duty Free trolleys

Maximum security with our new 1.5 and 1.8 mm Cable Lock Seal with ABS Plastic body and full metal inner body.

ISO/PAS 17712 tested & recommended by several custom authorities.

### NEW PRODUCT: FORT FLEX
