

# **TLCS AND MEGA TEBCO CHAMBER →** **LOCKING PROCEDURE**

**Diagram A**

**Diagram B**

**Diagram C**

## **STEP 1**

Ensure locking head of the TLCS is aimed at the locking hole of the Mega Tebco Chamber with marked side up.

## **STEP 2**

Push the seal in at an angle with the marking straightened and parallel to the entry hole.

## **STEP 3**

Press in to lock with a click sound.
