# Triple Lock Casino Seal (TLCS)

## Tamper-Evident Triple-Locking Vault Seal

This Triple Lock Casino Seal is an indicative seal designed for the securing of containers, vaults and bag chambers used in the casino and entertainment, financial services and banking, retail and defense sectors.

An improved version of previous chamber and vault seals, the Triple Lock Casino seal features its titular, innovative triple-locking mechanism and an additional white marking flap for the ease of barcode marking and identification of information for operation efficiency.

### Features

- 1 The Triple Lock Casino Seal is quick and convenient to apply. It can be removed manually without a cutting tool while leaving tamper evidence.
- 2 The Triple Lock Casino Seal features an innovative triple-locking mechanism for greater security and tamper resistance.
- 3 Triple Lock Casino Seals are etched with permanent laser marking for names, logos, sequential numbers, and barcodes. Laser marking offers the highest level of security as the markings cannot be removed or replaced.
- 4 The white marking flap is permanently affixed to the seal body via an ultrasonic welding process.
- 5 Optional- **Biodegradable** additive can be added upon customers' requirement, securing strap gives the user a choice of strength to match different applications.
