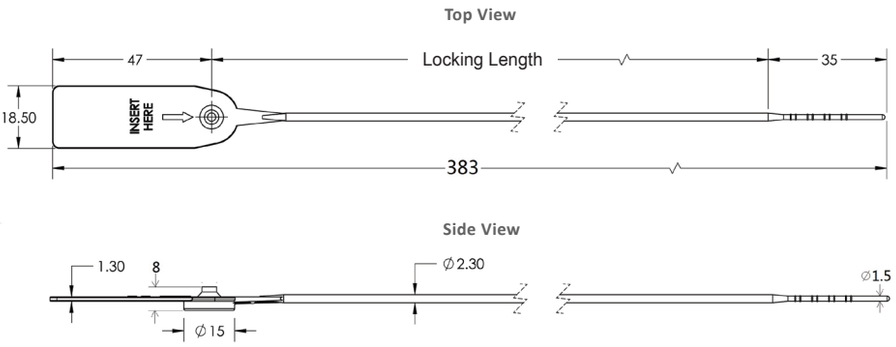
This product available in **biodegradable alternatives.**

Indicative Round Stem Pull Tight Seal · Data Sheet

Fast Seal (FS)

MEGA FORTRIS
G R O U P



Indicative Round Stem Pull Tight Seal

Features

1. Durable Nylon or PP securing strap gives the user a choice of strength to match different applications.
2. Colour coding is made possible by using combinations of white-based seals and different coloured caps.
3. Optional- **Biodegradable** additive can be added upon customers' requirement, securing strap gives the user a choice of strength to match different applications.
3. The Fast Seals are etched with permanent laser marking. Laser marking offers the highest level of security as it cannot be removed and replaced without tamper evidence.
4. The metal clip lock escapsulated by a cap provides greater security and also pull strength despite the thin and flexible strap.
