FOR IMMEDIATE RELEASE

MEGA FORTRIS ANNOUNCES CHANGE OF COMPANY STATUS

Shah Alam, 31 January 2024 – Mega Fortris Sdn. Bhd., a leading provider of security solutions, is excited to announce its official change of company status. Details follow.

New company name: MEGA FORTRIS BERHAD
Former company name: MEGA FORTRIS SDN. BHD.
Effective date: 31 January 2024

Effective 31 January 2024, Mega Fortris Sdn. Bhd., is pleased to announce that it will operate under the new name Mega Fortris Berhad to better reflect the company's status as a public limited company.

This significant change will mark a new chapter in Mega Fortris' journey. The status change reflects our company's commitment to building a unified global brand while continuing to deliver high-quality products and services to our customers worldwide. For over 25 years, Mega Fortris Sdn. Bhd. has earned a strong reputation as a trusted partner in securing and protecting operations and assets across global supply chains. As we transition to Mega Fortris Berhad, we are more determined than ever to uphold this reputation while further strengthening our presence as a global leader in the security industry.

Clients and partners can expect the same unwavering commitment to quality, reliability, and customer satisfaction that Mega Fortris Sdn. Bhd. has built its reputation upon. The status change does not impact our day-to-day operations or contact information. Our website domain, email addresses, and phone numbers will remain unchanged.

The Mega Fortris Berhad team is excited about this strategic shift, which reflects our commitment to delivering excellence on a global scale and furthering our position as an industry leader.

About Mega Fortris Berhad:

Mega Fortris Berhad is the global leader of security solutions providing an extensive range of seals for various applications. Operating with over 25 years of excellence and expertise, our company has secured and protected operations and assets throughout supply chains worldwide. Our business has expanded to encompass offices spanning across six continents to provide and supply our customers with unsurpassed quality products and services. We pride ourselves on having one of the largest ranges of ISO certified and customs accepted seals with a great and reliable service to match. As a business, we are at the forefront of the security market, being the world's first to develop a full range of biodegradable seals. This is part of our ongoing commitment to developing a sustainable future and helping the environment.
